What is Amherst LITTLE COMETS Running Club?

The Amherst Little Comets Running Club is a free and fun group formed to introduce Amherst students to the wonderful, life-long sport of running. This success is evident from the multitude of cross country and track conference and state champions the Amherst School District has produced. This FREE racing group is open to any KINDERGARTEN TO SIXTH grader in the Amherst Schools (St. Joseph and home schooled athletes are also welcome) who enjoys running, making new friends, working hard and having FUN!

The following events will be supervised by the Amherst Cross Country Coaches; however, each child must have a guardian present at each race. Races will be 1/4 mile long (1/2 mile for 6th graders) and will take place rain or shine. They will be canceled in the event of a thunderstorm.
