Dear SJS Parents,

We are about a month away from our biggest in-person fundraising event of the year- our Coming Together FUNdraiser on April 17, 2026! This is a night of fun, dueling pianos, dancing, dining, and lots of raffles to raise money for SJS to be able to continue to offer a variety of programs and materials for our students centered around religion, STEM, the arts, and large scale projects, too!

We have been known to have a large Chinese Basket Raffle and we need your help! Each class is being given a theme to build a basket to be raffled off on Friday, April 17th at the event. Each class also has a "point person" for donation collection, etc. to help make sure we have the best baskets possible for those attending. Below you will find the themes, point person, and contact information for each of the grade levels. Please reach out to the representative from your student's grade(s) to help support this great cause!

A flyer for this event/tickets is also coming home today and we would love to see lots of SJS families there! If you'd like to reserve a table, please let us know! We are looking forward to a fun night.

Also, if your individual family or your business would like to provide a raffle basket, buy a table, or donate a larger item to be raffled off, please let me know!

Mrs. Makruski
