

SJS Service Club- Open to students in grades 3-8

This school year, SJS is offering a Service Club for students in grades 3-8. This club is operated by SJS and supported by the Kiwanis Club of Lorain. Students in grades 3-8 are being asked to commit to offering their time to support various service projects at St. Joseph School, as well as at Kiwanis Club events, as needed/able.

There is not a pre-set selection of events and service projects. The club is designed to be a club of opportunity. By expressing interest below, your student will be contacted when a service opportunity presents itself and those students who are available and able to commit to help can do so at that time. There is no minimum time commitment, just a desire to use their time and talents to serve others.

If your student believes that this club is for them, please fill out, detach, and return the portion below by Wednesday, December 1st.

Yes, I am interested in being part of the SJS Service Club for the 21/22 school year.

Student Name ----- Grade -----

Please provide the contact information for one parent/guardian that can give you permission to participate in upcoming service projects:

Parent's Name:

Parent's Email:

Parent's Cell/Phone Number:

(Please note: we DO know that there will be a service opportunity this coming Friday, December 3rd to help sort items and pack up boxes for our Senior citizen service project, in case you'd like to save the date.)
