School Calendar Change

On Friday, February 26, 2021 there will be NO SCHOOL for the students at SJS so the staff can receive their first round of the Covid-19 vaccine.

****We will not know which version of the shot we will get until the week of the vaccine. We will need an additional day off of school in March to receive the second shot, but the date is unclear at this time. It will either be March 19th or March 26th. We will let you know as soon as we know so you can plan appropriately.*

***These will be true days off of school. There will be no at-home work or digital assignments, etc. that will need to be completed and turned in for that day.
