# Summer Reading Skills PROGRAMS

## Program for 4-Year-Olds and Entering Kindergartners

Your child will learn to read in this exciting program! Children learn letter recognition, beginning phonics, and easy sight words while developing a real love of books. By the end of the program your child will read simple words and sentences and be confident about reading.

## Program for Entering 1st Graders

Your child will learn to read independently in this fun program. Children learn the most important first grade reading skills—phonics, sight words and comprehension—and develop a love of reading. Your child will start the school year confident, enthusiastic, and ready to succeed!

## Program for Entering 2nd Graders

In this fun program, your child will become a confident, enthusiastic reader! Children build strong phonics skills and improve reading fluency and comprehension. Your child will develop a love of reading and get off to a great start in second grade.

## Program for Entering 3rd Graders

In this fun program, your child will become a strong, enthusiastic reader who loves books. Children improve decoding skills, fluency, comprehension, and vocabulary, so they start third grade confident about reading and excited to learn!

## Program for Entering 4th and 5th Graders

In this fun and effective program, your child will become a more skilled, confident reader! Students improve comprehension and fluency in fiction and nonfiction and expand their vocabulary. As a result, your child will complete homework more easily, get better grades, and enjoy reading more.

## Program for Entering 6th, 7th, and 8th Graders

In this program, your child will become a stronger reader and a more confident, motivated student. Students double reading speed and improve comprehension and focus in fiction and nonfiction, both in print and online. Your child will expand vocabulary and learn note-taking, test-taking, and study strategies that result in higher grades and test scores!

## Program for Entering 9th, 10th, and 11th Graders

This program will set your son or daughter up for academic success in high school! Students learn to read twice as fast and increase comprehension and focus in fiction and nonfiction, both in print and online. They expand vocabulary and develop effective study and test-taking strategies, leading to better exam scores and higher grades.
