Thoughts from our Founder

The holiday season can be very hard for some, so please keep this in mind. I would like to ask all of our followers to please do a random act of kindness. Pay for someone's groceries, visit a senior who is alone and doesn't have much support, reach out to someone you have lost contact with or support a local charity that will provide Christmas for those who are less fortunate.

Give a grocery gift card to a random person. These are just a few suggestions I can think of.

Merry Christmas!
