Ladies Night Out

Our very first Ladies Night Out event was held at Mount Brow Vineyards back in 2015. The vision behind these events was to give women a safe place to come and meet other women without the stress of “networking”. A safe place to come and be yourself, get to know other women in the community and NOT be worried about your sales pitch. The ladies night out event is open to all women, whether you are a stay at home mom, a college student, self employed, employee, or retired. All are welcome. We always have a fun activity planned to break the ice for those of us who find “networking” hard to do. We have not had an official Ladies Night Out event for far too long. Holly Britton has graciously offered her beautiful home for us to enjoy. There is no cost to attend. We do have limited space of 40 so please RSVP to attend. Visit our website event tab and RSVP. Bring a friend!

If you enjoy cooking or baking you are welcome to bring something to share, but it is not required.

Friday, September 12th 5:30-7:30 pm

Women Helping Other Women...

Grant for 2025:

Each year we give a grant to a woman who is working on a goal or dream. This year we are not planning a major fundraising event so if you would like to help us by donating to our Grant Fund we would truly appreciate your support. All donations given with this link will go specifically to our Grant awarded this fall to a woman who is working on education, whether it's help with college costs, trade school, a class, certification, etc.

(We are now using Zeffy for ticket sales and donations as they do not charge a fee. They work specifically with non-profits. When you make a donation you will see a message from Zeffy to make an OPTIONAL 17%, 20% or 22% donation to them. This allows Zeffy to offer their software and service to nonprofits for NO charge. If you do not wish to make a donation to them simply choose "other" and enter 0.

Thank you Sponsors!!

WHOW's Mission:

Women Helping Other Women achieve their dreams and goals through education, inspiration, and support.

WHOW's Vision:

For every woman to LIVE the life they dream of, LOVE themselves for who they are, and LEARN from one another.

Thoughts from our Founder

As summer moves behind us and we enter the fall season don't forget to take time out for you! What goals are you working on? How are you caring for you? If you set a goal for yourself at the beginning of the year how is your progress? Are you close? Are you struggling? Sometimes having a tribe to bounce ideas, hold one another accountable and just learn from one another is important. Women Helping Other Women! We have your back!!

Michelle Dean, Founder of WHOW

We need your help:

Are you looking for a place to give back? A place to volunteer some of your strengths and knowledge? We are looking for volunteers to help us with marketing, social media or helping with some of our events. Are you a business owner that would be interested in supporting women in our communities in exchange for promotion?

Our vision for WHOW is growing and we are open to ideas and suggestions that would further support our mission of helping women achieve their dreams and goals.
