

WHOW (Women Helping Other Women)

Volume 3 - January 2024

WHOW

Women gathering to share ideas, encourage and support one another, and learn from each other.

WHOW's Mission:

Women Helping Other Women:

Live the life you dream about.

Love yourself for who you truly are.

Learn from others.

WHOW's Vision:

Women helping other women achieve their dreams and goals through education, inspiration, and support.

From the President: As we welcome in 2024 we are excited about our visions for the future and how we plan to educate, inspire and support women.

How would you like to belong to a group of women who inspire and support you? Who help hold you accountable to the goals you set? To connect with like minded women who share their strengths, skills and talents with you?

Whether you are a business owner, retired, or employed by someone else we believe all women have unique gifts, skills and talents to share with others.

Join us and become a member of WHOW!!

Sincerely,
Michelle Dean
