May 2024

Grant to be awarded

Our WHOW Tea Party in July will be our fundraising event to award our grant for 2024. This year we will be giving a grant to a woman who is working to achieve a dream or goal and could use our support. Please help us by attending the Tea or you may simply donate via our website and make sure to comment you want your funds to go toward our grant. To apply send a letter to WHOWBoard@gmail.com and tell us your name, address, phone number and age.

Tell us about you so we can get to know you. What do we need to know about you that will help us to understand why this dream or goal is important to you. What is your dream or goal? Why is it important to you? How long have you been working toward this dream or goal? What challenges have you faced? How did you resolve those challenges? What keeps getting in your way to achieve this dream or goal?

Your need: Tell us specifics about how our grant can help you. A specific cost for your need to help you achieve this dream or goal.

Deadline to apply is July 26, 2024

Upcoming Event:

WHOW Tea Party

July 27th 11-2

Sonora Meadows Clubhouse
16547 Creekside Dr. Sonora, CA

\$25

Thank you Sponsors!!

WHOW's Mission:

Women Helping Other Women achieve their dreams and goals through education, inspiration, and support.

WHOW's Vision:

For every woman to LIVE the life they dream of, LOVE themselves for who they are, and LEARN from one another.

Thoughts from our Founder

Something those close to me hear often is “face your fears!” From my abusive past I learned to fear just about everything. Over the years, one step at a time, I learned to face my fears by taking action to overcome them. Scary? YES! But the outcome has been life changing! So many opportunities would have been missed if I didn't learn to face my fears. All of the fabulous things in life are waiting on the other side of fear!
