# OUR HISTORY

WHOW began in 2013 when Michelle hosted our first Ladies Night Out Event at Mount Brow Vineyard.

In 2017 WHOW opened the WHOW Professional Center on Highway 49 in Sonora. This was a women's co-working space and we held MANY events there to support women in our community. In 2017 we began the process to become a nonprofit.

We achieved our nonprofit status in January 2018.

Some of the fabulous events created by and hosted by WHOW:

Our Soiree in 2017 - A Paris themed elegant black dress event celebrating women  
Empowering Women Strengthening Communities in the fall of 2018 and 2019 held at the Sonora Opera Hall and co-hosted by CNVC.

We have had many Ladies Night Out Events offering DISC training, self-defense classes, yoga, and so many more!

We also hosted Coffee Talks accountability groups, and Boss Lady Showcase events.

We are here to support you to live the life you dream about, love yourself for who you truly are and learn from one another.

Will you join us in our mission?
