February 2026

What's New

We are excited to share with you how we are working to bring women together. It has always been our passion to give you opportunities to connect with other like-minded women, build relationships, learn from one another, inspire and encourage one another, and support one another.

We have created the WHOW Sisterhood group on Facebook. It is open to all women and we are expanding our reach to women everywhere, not just local. We will also be hosting a monthly zoom speed networking event on the last Thursday from 5:15-6:15 pm (PST) This is your opportunity to connect and get to know other women in the group. You will have 5 minutes in a breakout room with one attendee as time permits.

If you become a VIP Sisterhood Member for \$1 per month (or \$12 annually) you will have preapproval to post and may attend the speed networking for no cost. Non VIP Members will pay \$5 to attend the speed networking.

Women Helping Other Women...

Grant for 2026:

Each Fall we give grants to women working on a dream or goal. Please help us by donating to our Grant Fund.

Changes in our Membership

We are so thankful for all of the support we have received from our members and sponsors over the years. Since we are working to offer most of our events and services to all of our tribe we are doing away with “memberships”. However, we are still asking for your support to help us with our mission!

Become a Supporter for \$50 annually simply means you believe in our Mission and Vision and want to financially support us so we can achieve them.

Become an Impact Partner for \$250 annually to partner with us to fulfill our goals! As an Impact Partner we will graciously thank you on every newsletter and all of our events. As an Impact Partner you may also advertise in our quarterly newsletter for no cost and become a VIP Sisterhood Member for no cost.

WHOW's Mission:

Women Helping Other Women achieve their dreams and goals through education, inspiration, and support.

WHOW's Vision:

For every woman to LIVE the life they dream of, LOVE themselves for who they are, and LEARN from one another.

Thoughts from our Founder

I am excited to share my story “My Journey from Surviving to Thriving” has won 2 book awards so far! I will be heading to Fort Wayne, Indiana in September to receive my second award. The International Christian Book Award!! Living proof that all our struggles can to beautiful things if we allow them.

Michelle Dean, Founder of WHOW
