April 10, 2025

Dear Community Member,

We hope this letter finds you well. As a valued supporter of Byers Park and Recreation District, we wanted to take a moment to express our deepest gratitude for your continued dedication and generosity towards our community initiatives. Your unwavering support has played a pivotal role in enabling us to enhance the quality of activities and events for individuals and families throughout our community. We as a board have continued to update our community facilities and enhance community activities. We are excited to continue our initiative to build collaborative opportunities with our community members and businesses throughout the I-70 Corridor.

As we embark on another year of empowering our community through recreation, we are reaching out to invite you to join us once again as a sponsor, collaborator, or donor for our Annual 4th of July Celebration. Your partnership is instrumental in our ability to sustain and expand our events and activities, ensuring that everyone in our community has access to fun, safe, and affordable activities during the 4th of July weekend. With your support, we aim to continue fostering a vibrant and inclusive community where individuals can thrive, connect, and celebrate the joy of recreation together. With the support of our community and generous donations, we aim to continue hosting the annual rodeo, enhance the street fair into a full-scale festival, and present an exciting fireworks show. Additionally, we're thrilled to introduce a new tradition, community and family kickball and softball tournaments leading up to the fireworks display! Your sponsorship not only benefits our residents but also aligns your organization with our mission of promoting quality activities, engaging our community members, and providing safe and fun opportunities for all.

We understand that these are challenging times for many, and we deeply appreciate any level of support you are able to provide. Whether it's through financial contributions, hosting events, in-kind donations, or volunteer assistance, your generosity makes a meaningful difference in the lives of those we serve. Please find enclosed additional information about our sponsorship opportunities, including the various benefits and recognition options available to our valued sponsors. We are more than happy to discuss any questions you may have or tailor a sponsorship package that aligns with your organization's goals and values. Once again, thank you for your ongoing commitment to Byers Park and Recreation District. Together, we can continue to create a healthier, happier, and more connected community for generations to come. As always, feel free to call or email us with any questions or concerns. We encourage you to visit our website, byersparkandrec.com for digital forms, additional information, schedules, and online payments.

Warm regards,
Byers Park and Recreation Board Members,
JaLee Kitzman, Janet Herman, Wendy Hise, Willy Elliott, and Kagen Kitzman
