PET SHOW INFORMATION

ENTRIES will be taken on the day – register between 9-9.30am

Your cavies will be eligible to enter numerous classes – you can choose to enter as many or as few you like.

Please print out the 2 page entry form prior to the show, or fill it out on the morning, and hand it to the Entries Secretary at the judging table. Payment will be required at the time of entering.

You will be required to sign an indemnity waiver in order to enter your cavies into the show (on page 1 of the entry) – this will ensure that you are responsible for your own cavies whilst in attendance.

Your cavies will be allocated a “Tag Number” which links up to our paperwork.

JUDGING will begin at 10.30am – we will call the Class Name as well as your cavy’s Tag Number

Places will be awarded for each class, with the first place winners returning to take part of the “Best Pet” Lineup at the end of the day. The Best Pet will be decided by Public Vote.

SOME ADDITIONAL TIPS AND INFO

Cavies must be 3 months or older to enter the show (our December online show is for all ages)

Be sure to bathe your cavy the day before bringing it to the show and ensure their nails are clipped. If you are hesitant or unsure how to do nails yourself an experienced club member can assist on the day prior to judging.

Do not bring cavies that are sick, pregnant or feeding babies. If your cavy has fungal, mites or lice they should not be entered into the show as these are highly contagious. If you are informed your cavy has any of these during judging, that cavy will be removed from all further classes with no refund to entry cost given.

Do not touch anyone else’s guineapig without asking first. Do not poke any cavies through their cage wire – they may get a fright and your fingers may get bitten,

Please ensure your guinea pig stays in front of you on their show board whilst being judged – do not allow them to wander off to sniff other cavies – this may result in fighting. (Show Boards are available for sale at the show for \$12, or mats can be borrowed).

Bring your cavies in a secure carry cage with ample airflow – ideally use woodshavings or newspaper pellets as bedding. Straw or just newspaper are not suitable as will be wet once weed on and will result in your cavies remaining wet. (Fleece or towels can also be used, but usually stay damp also).

Pack some of your guinea’s favourite veggies for them to snack on during the day.

A Waterbottle can be attached to their carry cage whilst at the show (do not have attached during travel as it will rattle and leak, making the bedding wet). (small waterbottles suitable for carry cages are available at the show for \$5 if needed).

PET MEMBERSHIP for the NSW Cavy Club is available - this will not only allow you to enter the members pet class at every show, but will offer discounted entry fee for the Mega Pet Shows. You will also receive our digital newsletter “cavy capers”.

NSW Cavy Club Inc. MEMBERSHIP FORM

[August 2024 – supersedes all previous forms]
