## COMPETITIVE FEES

All competitive fees will be outlined in competitive handbooks for the 2022-23 Competitive season.

All fees will be based upon commitment level. Not all dancers will pay the same amount in competitive fees.

Competitive Parent Meeting will be scheduled soon!  
We will send all updates in Team App.

# IMPORTANT INFORMATION & INSTRUCTIONS

- Summer Session-Part 2 registration will open on June 28th.
- Parents are SOLELY responsible for registering their child for the classes listed here (choreography & technique).
  - If they are present in class but are not registered for that class:
  - **A \$15 inconvenience fee will be charged to that dancer's account.**
- Summer Session Part 2 begins July 5th and ends at the showcase on August 6th.
- All August 2022-July 2023 contracts will be agreed upon and signed with Summer Session-Part 2 registration.
- Summer Session Part 2 registration carries over into the Annual Session 2022-23. Meaning, parents do not have to register twice.
- All solos, duos, and trios begin the week of August 22nd
- WE ARE ECSTATIC! We just hired a ballet instructor with a repertoire that includes working side by side along Twyla Tharp as well as attending all dance training at The Juilliard School in New York, New York. She is helping us restructure our competitive program and recreational program to maximize dancer and studio success!

## FINAL RESULTS

- All the results posted here are final. All parents should have contacted us last week per the instructions posted regarding questions, concerns, issues with schedule, placements, or tuition amounts.
- In the event of a crisis or emergency, send an email to [dcassistantdirector@gmail.com](mailto:dcassistantdirector@gmail.com) with your information.
- Unless there is a legitimate emergency, we will not make further changes to the schedule, tuition amounts, line placements, or solo/duo/trio placements.
- **ALL TUITION AMOUNTS should be calculated on parent's own time.**
  - **Please do not contact Director or Financial Coordinator for this.**
- All pricing is posted here for easy calculation. We recommend starting with their lines. Multiply their number of lines by \$60 and for technique classes, count how many they are in and remember ballet is 120 minutes. Multiply each technique class by \$10 for each 45 minute time frame. **\*Also, we posted what each line can estimate for technique class monthly cost according to commitment level.\*** Lastly, add solos/duos/trios per the monthly prices above.
- If you want to confirm your tuition amount/days of the week/etc., send us what you calculate via email to [dcassistantdirector@gmail.com](mailto:dcassistantdirector@gmail.com) and we will confirm.
