Welcome

Greetings Art Lover,

Welcome to the 13th edition of the Michigan Art Guide. Due to the huge interest in the guide we expect it to be a busy year for our galleries, fairs and artists. We hope you will use this year's guide to start planning your visits, and continue to support these local businesses. When you stop by, be sure to let them know you saw their listing or ad here so they know their advertising dollars are effective. It is a good idea to call ahead or check their website for their current hours.

We work hard to make the guide functional and easy-to-use, with all of the information carefully organized and color-coded so you can easily find what you want.

We hope you enjoy the 13th annual edition of the Michigan Art Guide and enjoy an art filled year.

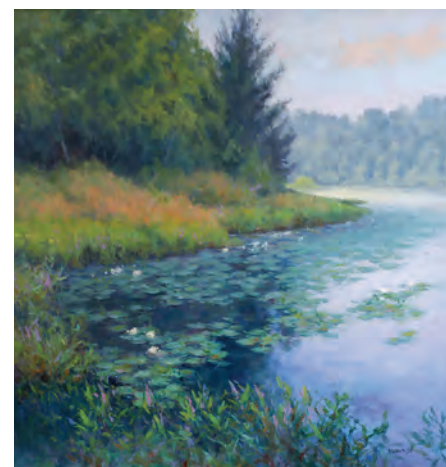

If you head south, check out our Florida Art Guide. Just like the Michigan Art Guide, you will find accurate listings of galleries, fairs, and artists throughout the state. Safe travels!

Vicki

On the Cover

Shimmering Light
by Kathleen Kalinowski

Kathleen Kalinowski is a contemporary impressionist painter who is deeply captivated by the light, atmosphere, and colors of the landscape. Her passion for painting en plein air - directly from nature - allows her to fully immerse herself in the beauty around her, interpreting and capturing its essence in her work. Kathleen's plein air paintings enrich her studio work by preserving the memory and poetry of a particular place and time, ensuring that her studio pieces retain the vividness and immediacy of her outdoor experiences.
