A Message from the James Family

Blair was such a great guy! Anyone who knew him would tell you that very thing. He genuinely loved the outdoors, whether out camping with his family or just sitting by a bonfire in his backyard. He also loved his toys - namely motocross bikes, quads and sleds. Blair will always be remembered for the exceptional man he was: his wonderfully dry sense of humour; his brilliant mind; his many gifts and talents; his tender heart; his amazing hugs and beautiful smile! He was a wonderful husband and daddy, an amazing brother, a cherished son and a steadfast friend to so many. Left behind when Blair passed was his wife Chantel and his 2 young children, Zoey and Ryker (6 and 3 at the time).

This tournament started as a memorial for Blair and to support Blair's children. It will always be in memorium of Blair but our goal is to bring awareness to mental health and suicide and raise much needed funds for programs and services supporting those in need.

This year, we remain dedicated to supporting suicide prevention initiatives, with a continued focus on men's mental health. Speaking openly about suicide and mental health isn't easy, but it is necessary. Breaking the stigma starts with conversation.

If you are facing challenges of your own, or know someone who might be, please reach out and talk to someone you trust. You deserve support, understanding, and care. Your life has value. You are important, and you matter to the people around you. Every life is worth the fight.
