

Professional Tree Services & Vegetation Management
Newcastle, Oklahoma | Serving OKC & DFW Metro Areas

ABOUT US

Enhanced Tree Care is a locally owned and operated Oklahoma small business specializing in municipal and large-scale vegetation management. With over 18 years of industry experience, we bring professionalism, efficiency, and safety to every project.

Owned and operated by a **Certified Arborist and Urban Forest Professional**, we have 14 years of certification experience and a strong background in servicing municipalities throughout the Oklahoma City and Dallas–Fort Worth metro areas.

We understand the importance of maintaining safe, compliant, and well-managed urban tree canopies within public spaces.
