August

Happy First Day of School.

Starting in a new school can be scary and difficult for some. Meeting new friends, first time away from mom and dad, big place. Here are some ways to help make this transition easier on your child:

- 1- Let your child know what their teachers name will be
- 2- Talk to them about the schedule and what the day will look like
- 3-Ask them how they feel about coming to school. And talk about the day when you pick up
- 4- Reassure your child that if something is wrong at the school the teachers are here to keep them safe and help.

Please be here everyday on time.

Our drop off policy: Everyone must be here no later than 8:30 each day. If you have a doctors note then you can arrive no later than 11:00. Please always call the school if you will be late or out for the day. Please be sure your child is here no longer than 9.5 hours a day, anything longer can be really hard on your child.

Has your teacher told you the best way to get in touch with them and us?

Join our Facebook for parents page. This is a closed group to parents and families only- **Foundations Preschool for Parents**

Join your class Facebook Page (see the teacher for this info)
