### ASQs moving to July and January

Our school calendar states that April is the month for ASQs. Because this year's timing was interrupted by COVID, ASQs have already been done within this six month period. Our next round will take place in July so that the Teacher who has had your child for the year can then provide their assessment to the new Teacher. If you have any questions or concerns and would like an ASQ done in April, please let us know.

### Important Date Information:

**April 2nd - Closed**

**Week of April 5th** - Parent Surveys will be online by Wednesday. Information regarding the survey will be sent via email and the Parent Facebook account.

**Week of April 5th** - Class Pictures will be sold for \$7 as a fundraiser for the school. Please see us at the Front Desk to place your order. You will need to pay when you order the pictures. Cash Only please.

### Bible Distribution

Normally, every year we take an evening to show parents what Chapel looks like and then handout Bibles to the children. This year, to ensure limited exposure, we will not be having a "Chapel Night" but we will still be providing the children with their Bibles.

They will be given to each child in the 2s and up that are new to the school last year or this year or have moved up from the Toddler room during that time. This will happen in May and it is an honor to give these Bibles to the children.

### Have you filled out your paperwork regarding Summer and Fall enrollment yet?

Please be sure to have your form filled out and returned to the front desk ASAP. Several families are on our waitlist and we want to be sure we've reserved your spot before we offer anything to anyone else.

### Important Dates:

### VPK Graduation

VPK Graduation will be in person on Thursday, May 20th at 4:00 pm. It will take place in the Sanctuary and then a reception will be held in Fellowship Hall.

To ensure we are paying attention to COVID guidelines and Church rules, tickets will be limited to 5 per family (if you are not planning to use all 5, please let us know so that others can use your tickets). Tickets will be distributed in early May. Attendees will need to sanitize their hands when they arrive and Masks will be required. For those not able to attend, this will be live streamed.

Graduation is a very special event for our students. We are so excited it gets to be in person this year but that can only happen if everyone follows the COVID rules.
