

Covid-19 Procedures in place for Parents and Children:

1. I understand that I will not be permitted to enter the facility beyond the designated drop-off and pick-up area. I understand that this procedure change is for safety of all persons present in the facility and to limit to the extent possible everyone's risk of exposure. I understand that it is my responsibility to inform any Emergency Contact persons of the information contained herein. (Parents, if you are dropping off your child after 8:30 (as a reminder this is only for doctor/dentist appointments) or picking up before 2:30, please call ahead so that we can have your child ready at the door for you.)
2. I understand that if there is an emergency requiring me to come into the classroom, my temperature will be taken, I will need to sanitize my hands and wear a mask. While in the facility, I must practice social distancing and remain 6 feet from all other people, except my own child/ren.
3. I understand that when dropping off my child, I myself must be healthy and my child must be healthy. I understand that my child will have their temperature checked before entering the building and again throughout the day.
4. I understand that during this time, the sick policy has been modified. I have read the current sick policy and will adhere to it; including not giving my child any fever reducing medications before sending them to school.
5. I understand that my child will be required to wash their hands using CDC recommended handwashing procedures throughout the day using warm running water and rubbing with soap for at least 20 seconds.
6. I understand that outside of care, in order to control my child's exposure in the community, I will comply with any and all state, county or local stay-at-home orders.
7. I will immediately notify Foundations Early Childhood Education Center management if I become aware of any person with whom my child or I have had contact with that becomes diagnosed with Covid-19.
8. I understand that naptime items need to be taken home every Friday and washed before returning them on Monday morning.
9. I understand that while present in the facility each day my child will be in contact with children, families and other employees who are also at risk of community exposure. I understand that no list of restrictions, guidelines or practices will remove 100% of the risk of exposure to COVID-19 as the virus can be transmitted by persons who are asymptomatic and before some people show signs of infection. I understand that I play a crucial role in keeping everyone in the facility safe and reducing the risk of exposure by following the practices outlined herein.
10. I understand that if I pick up my child while they are outdoors, I must be wearing a mask and use social distancing at the gate.
