Important Date Information: As a reminder, The Church Rummage Sale starts the afternoon of February 13th and runs through the 15th. This means thousands of people will be on the campus and why we close February 14th. On Thursday and Friday February 6th and 7th, you will receive special cards to place on your dashboard so that you can get through the traffic without any problems. **Please check our Parent Facebook page for specific February 13th traffic routing instructions to ensure you are able to pick up your children as efficiently as possible.**

Important Dates for the month

Week of February 10th, Tents for the Rummage Sale will go up, traffic routes may be different. Be sure you have your card on your dashboard.

February 13th - Annual Church Rummage Sale begins at 3:00 pm. Please take time to watch the video posted on the Parent Facebook page to be sure you know the process for picking up your child on the 13th.

February 14th and 17th - Closed

Chili Weather may still be about! Be sure your child has a jacket and warm clothes so they can participate in our outdoor activities.

Please Keep in Mind:

- ◆ **Names on Clothes.** It is really helpful when your child's names are on their clothes. So many times I hear Teachers saying "Whose jacket is this? Whose blanket is this?"
- ◆ **Tuesday Mornings for VPK** is chapel day and that means your child should be here by 8:20. **Every other day** it is our goal to start our learning at 8:30 so having your child here by 8:25 would be really helpful for not just their day but for the impact on the classroom.
- ◆ **No Toys.** We love that your children want to share their toys from home. This however often causes a problem in the classroom. There is much to play with here, **please leave toys at home.**
- ◆ **Tax statements** have been distributed. If you have not yet received your statement, please see Ms. Patty, Ms. Donna or Ms. Amy.

Will your child be here this summer and/or next Fall? Within the next couple of weeks, we will be asking this question so that we can determine openings and staffing. Please complete the paperwork promptly so that we know how to move forward.
