

Foundations Early Childhood Education Center 941-681-3169

Important Date Information: As a reminder, we are open on Monday, February 15th (President's Day) but we are closed Friday, February 19th. This was the church's original rummage sale weekend. With covid, there will not be a sale but it was already in all of our contracts with the state.

Chili Weather may still be about! Be sure your child has a jacket and warm clothes so they can participate in our outdoor activities.

Will your child be here this summer and/or next Fall? Within the next couple of weeks, we will be asking this question so that we can determine openings and staffing. Please complete the paperwork promptly so that we know how to move forward.

Please Keep in Mind:

- ◆ **Names on Clothes.** It is really helpful when your child's names are on their clothes. So many times I hear Teachers saying "Whose jacket is this? Whose blanket is this?"
- ◆ **Tuesday Mornings for VPK** is chapel day and that means your child should be here by 8:20. **Every other day** it is our goal to start our learning at 8:30 so having your child here by 8:25 would be really helpful for not just their day but for the impact on the classroom.
- ◆ **No Toys.** We love that your children want to share their toys from home. This however often causes a problem in the classroom. There is much to play with here, **please leave toys at home.**
- ◆ **Tax statements** have been distributed. If you have not yet received your statement, please see Ms. Patty, Ms. Donna or Ms. Amy.

COVID Reminders: We are trying very hard to keep everyone healthy. If your child is sent home ill, there is a 48 hour wait to return unless this has been discussed with the Director. Normally it is 24 hours but because of the way COVID acts, we want to be sure everyone is clear of risk.

Valentine's Day is Almost Here: Each classroom has either Remind or a Facebook page specific to their class. Please be sure you know your child's class plans for Valentine's Day. If you do not have access to Remind or Facebook, please contact us at the school and we will be sure your Teacher contacts you to let you know the plan.
