It's That Time of Year Again!

As you know, the school participates in the government funded food program. As a participant, we must ask our parents to complete the Food program form each year (even if you filled it out within the last month). This form is very important because it determines the rate of reimbursement we receive for each child for each meal.

The forms are here and will be placed in your child's cubby on July 1st.

Please complete these forms and return them at the front desk ASAP! We need to get them to the state by the 15th.

A HUGE GOOD-BYE, GOOD-LUCK AND SEE YOU REAL SOON! Make sure to stop in and say good-bye to Ms. Patty before the end of the month. She will start her retirement/ Disney life real soon. We are so blessed and thankful that she will be around for us if we ever need her to sub. Best of luck to our Ms. Patty!!!!!!

WE LOVE YOU MS. PATTY!

God our Father, you have blessed us with the gift of children; thank you for these precious gems that adorn our school. Their laughter gives us joy and brightens our lives. They are the expressions of your presence in our school. Their growth shows the mysteries of your love.

May they experience your loving presence, advance in wisdom and grow in your love. Our children's future is in your hand, and yet we have our own role to play in shaping that future. Help us to be true to our responsibility so that we may assist them in responding to your graces and thus to become what you want them to be.

Amen.

Dear Families,

This is my last month as the Director of the Preschool and I wanted to take a moment to say how thankful I am to you. 6 years ago when I took the helm, I was incredibly naïve about how hard I would work, how much I would love the children and how their unconditional love would change my life. Some of you have walked this journey with me since day one and most of you have shared the challenges and celebrations of this past year. I want to thank you for trusting me and believing that I will advocate for your child in every way possible. I want to thank you for challenging me when you wanted things to be better for your children and providing praise when we got things right. I want to thank you for sticking with us through masks, temperature taking and COVID closings. Most importantly I want to thank you for trusting me with your life events and allowing me to pray for and with you, offer suggestions to you, sometimes just to sit with you and even celebrate with you.

Although I'm not sure of what's next in retirement, I'm confident I will be back to sub or at least say hello and give the kids a squeeze. You are in good hands with Ms. Amy and her team. God Bless Each of You!

Ms. Patty
