We are a 4 Star School \*\*\*\*!

Although we still our awaiting the details of our observations from the Early Learning Coalition, they did let us know that we are a 4 Star School! This is huge and I have to give a lot of credit to the staff. They worked hard to enhance their credentials, they have been really striving to identify kids in need and have been working with you and me to ensure those needs are met. So go ahead and brag to your friends....your children are in a great school!

- ◆ Please do not bring toys in with your children. We have plenty for them to play with here.
- ◆ Never leave a child in the car alone (thank you to those who have clearly been working on this).
- ◆ Please be sure your child has extra clothes here including socks, shoes and an extra jacket or sweatshirt.
- ◆ Tuition is due the week you are billed. This is very important to ensure our bills get paid (including paying our staff)
