## Summer Session Update

Summer Session officially begins Tuesday, June 1st. The week of May 24th however will include lots of fun summer like activities.

This year because the Schools are ending so much later, I'm sure there will be children both added and subtracted from our classrooms during the first part of June. We will work with everyone to make it a smooth transition.

Very few children are changing classrooms for summer as we are trying to minimize movement amongst the classes. If you have any questions regarding where your child will be and with which Teacher, just give us a call.

Fall session will start 8/9. We will let you know about Open Houses and classroom changes as the date draws closer.

This year, we will be giving the children their bibles in their classroom. We anticipate this happening the week of May 3rd and are very excited!

The week of May 3rd. Please take a moment to recognize your child's Teacher!

*This school year there have been many ups and downs with COVID. On behalf of the staff, we want to thank you for your flexibility, understanding and trust.*
