10/30- Costume Parade

Looking Ahead

11/6- VPK Trip to Dankin Dairy

11/23-11/27- NO VPK

11/26 and 11/27 Closed

Costume Parade

October 30th will be our costume parade. This year will be a little different as we can not have visitors come and watch. Although we are very sad about this we plan to make it extra special inside for the children. Please send your child to school with a treat bag as they will be trick or treating around to each classroom. 10/30/20

PTO -Parent Teacher Organization

Thank you to everyone who provided us with an e-mail address. For now we are going to communicate this way. I know this might make it a little hard for organizing things but we are going to do the best we can for now. Our goal for this year is to spoil the teachers, and find a fundraiser that works for us. Keeping in mind we can not use the inside of the school just yet. If anyone has any ideas please feel free to brainstorm with us. If you would still like to be added to the e-mail list let us know.

What is an ASQ?

An ASQ screens and assesses the developmental performance of children in the areas of communication, gross motor skills, fine motor skills, problem solving, and personal-social skills. It is used to identify children that would benefit from in-depth evaluation for developmental delays. Our school does these 2 times per year for our 1 - 4 year old classes. Once the assessment is complete, your child's Teacher will share the results and offer any suggestions for assistance if necessary.

4 Things You Can Do To Help Ensure Your Child's Success

1. Arrive no later than 8:20
2. Take your child to the bathroom before going into the classroom.
3. Do not bring any toys to school.
4. Do not give your child additional sugar in the morning (e.g. Juice, soda, donuts, cookies) and do not send them to school with food.
