

# COMPANY PROFILE

## CONTENTS

- **About Us**
- **Organisation**
- **Our Vision**
- **Our Mission**
- **Our Core Values**
- **Products Offered**
- **Services Offered**
- **Key Project**
- **Our Contact Details**

### **Address:**

**No. 47/61, Matrushree, 12th ACross,  
Agrahara Dasarahalli, Magadi Main Road,  
Bangalore-560079,  
Karnataka,  
India**

- **To Offer World Class Products That Possess Continuous Improvements And Innovation**
- **To Reach New Sectors Of Industries In Particular And Society At Large By Offering**
- **Products Which Bring In Changes To The Present State Of Machine Tools**
- **To Train And Guide Our Sales & Service Team To Become Future Leaders To Take The Company To A Newer Heights**
- **To Provide Quick And Effective Services To Increase Customers' Satisfaction Index**

## ORGANISATION

**Mr. Karthic G**  
Managing Director  
(15+ Years of Expertise  
in Machine Tools Industry)

**Mr. Manikandaprabhu R**  
Executive Director  
(12+ years of Expertise in  
Machine Tools Industry)

**Mr. Sivachidambaram G**  
Managing Partner  
(14+ years of Expertise in CNC,  
PLC, Automation & IIOT)

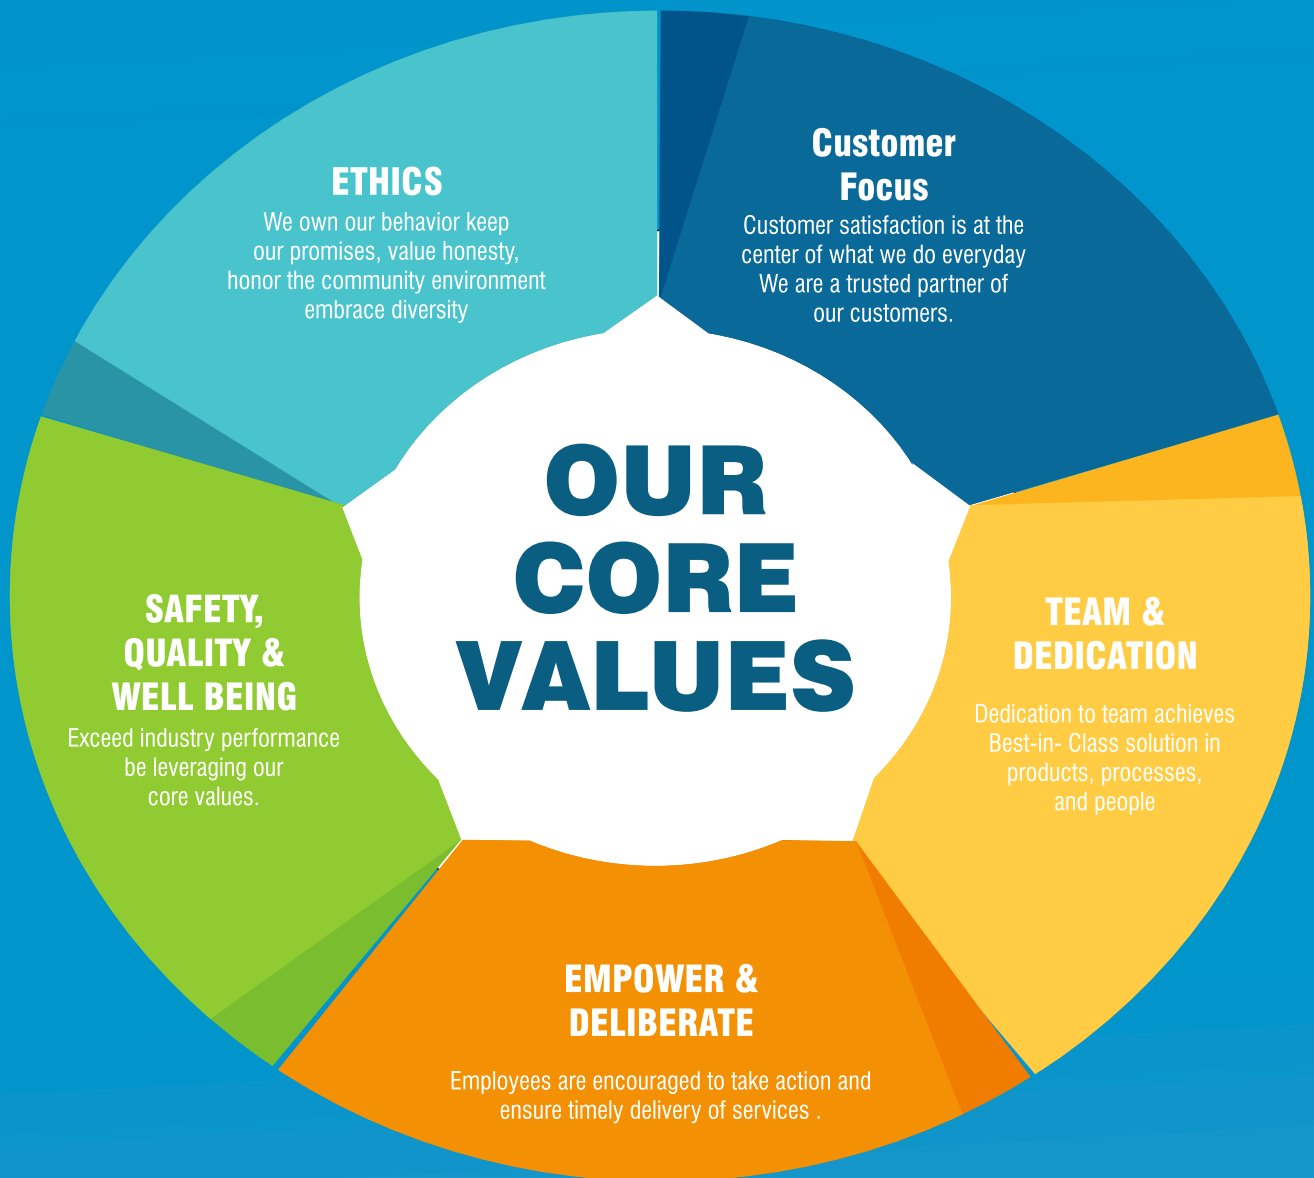

**Mr. Sathiyamoorthy M**  
Technical Director  
(18+ years of Expertise in  
Machine Tools Industry)

**OUR VISION IS TO PROVIDE  
OUR CUSTOMERS VALUE  
ADDED SERVICES IN MACHINE  
TOOLS INDUSTRY**

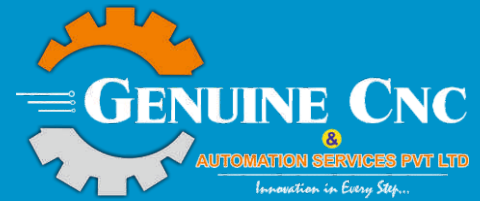

## OUR MISSION

- **To Offer World Class Products That Possess Continuous Improvements And Innovation**
- **To Reach New Sectors Of Industries In Particular And Society At Large By Offering Products Which Bring In Changes To The Present State Of Machine Tools**

## PRODUCTS OFFERED

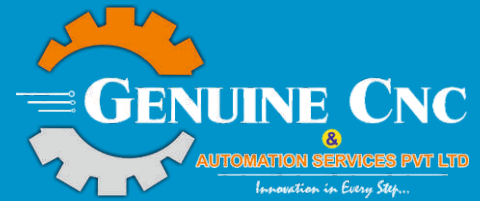

- Precision Multi Axes Turning Centres
- Precision Multi Axes VMCs, HMCs
- Precision Cylindrical, Internal And Universal Grinding Machines, Thread Grinding Machines
- Precision Medium To Large Size Heavy Duty VTCM, Gantry Milling Machines, HBMs
- Precision Medium To Large Size Heavy Duty Turning Centres
- Precision Gun Drilling And Deep Hole Drilling machines
- CNC Fiber And Co<sub>2</sub> Laser Cutting Machines
- Thread And Splines Rolling Machines
- CNC Tube And Pipe Bending Machines
- CNC Gear Hobbing, Gear Grinding, Gear Shaping & Gear Shaving Machines
- CNC Press Brakes, Plate Rolling, Shearing Machines And Many More.....

- **Installation & Commissioning At Customer Sites**
- **Retrofitment of Conventional And CNC Machines With Latest CNC And PLC Systems**
- **Reconditioning of Used Conventional And CNC Machines**
- **Periodical Preventive Maintenance**
- **Turnkey Automation Projects With Pick & Place, Robotics**
- **Control Panel Building**
- **Laser Calibration And Geometry Tests**
- **IIOT & Traceability Solutions**
- **All Machine Tools Spares Like Electrical Mechanical Control System**

## KEY PROJECTS

- **JOHNFORD 7000MM CNC Lathe Reconditioning Project**
- **JOHNFORD VTC-2000 With Hydrostatic Rotary Table Reconditioning Project**
- **Repair and Maintenance of DOIMAK Ball Screw Grinding Machine Retrofit with Siemens 828D Controller**
- **JUARISTI MP-6RAM Machine Erection and Commissioning Project**
- **Supply and Retrofit for MICRON VMC machine with Fanuc controller**
- **Commissioning Of 2 Numbers of Trevisan DS 600 With Functional Prove Out**
- **Installation & Commissioning Of Column Moving Gantry Type CNC VTMC**
- **Reconditioning of HMT-VMC-4H With Siemens 828D controller**
- **PLC Modification and Functional prove out for BATLIBOI Machine**
- **FLAMEGUARD Machine Retrofit with Siemens 828d controller and Reconditioning Project .....And Many More**
