Disclaimer: Your Moto Mist System is designed to be directed at your torso, (from your neck down, not at your eyes, which could cause a riding hazard), during installation adjust the mist before riding. Moto Mist LLC is not responsible for any hazards while using the system. The system is meant to be manually pressurized by the pump lid only. Over pressurization by any other form, could cause a health hazard and property damage. Moto Mist LLC, and its associates, are not responsible for misuse, and if used for any other purposes, other than what it is designed for. Moto Mist LLC and its associates is not responsible for any property, or water damage(s) either due to failure of a seal or mishandling of the Moto Mist System. The water bottle lid is designed to be leak free. Ensure the Lid is properly screwed on and tested before placing it where it may damage property. Using the Lid Locking device, will provide continuous water flow to your system. Your signature above, validates your knowledge of this disclaimer.

All fittings, valve and tubing's are of medical grade quality. Small Parts are a choking hazard. Plastic bags, or plastic bubble wrap, can be a suffocation hazard. During installation, please be aware of small children in the area.

WARNING: This product can expose you to a chemical known to the state of California to cause cancer and reproductive harm. For more information go to: www.p65warnings.ca.gov. Medical Grade Fittings are Nickel Plated.
