Disclaimer: Your Moto Mist System is designed to be directed at your torso, (from your neck down, not at your eyes, which could cause an accident), during installation adjust the mist before riding. Moto Mist LLC is not responsible for any hazards while using the system. The system is meant to be manually pressurized by the pump lid only. Over pressurization by any other form, could cause a health hazard and property damage. Moto Mist LLC, or any of its associates, are not responsible for misuse, and if used for any other purposes, other than what it is designed for. Moto Mist LLC or its associates is not responsible for any property, or water damage(s) either due to failure of a seal or mishandling of the Moto Mist System. The water bottle lid is designed to leak free. Ensure the Lid is properly screwed on and tested before each use. Using the Lid Lock will provide continuous water flow to your system. All fittings, the valve and tubing's are of medical grade quality. Small Parts are a choking hazard. Plastic shipping bags, or plastic bubble wrap, can be a suffocation hazard. During installation, please be aware of small children in the area.

Cancer and Reproductive Harm California Proposition 65 All Medical Grade Fittings are Nickel Plated.

WARNING: This product can expose you to a chemical known to the state of California to cause cancer and reproductive harm. For more information go to: www.p65warnings.ca.gov.
