SHIPPING POLICY

Due to Covid19 and holiday orders, potential delays due to a high volume of orders or postal service problems that are outside of our control.

All orders are processed within 2 to 3 business days (excluding weekends and holidays) after receiving your order confirmation email. You will receive another notification when your order has shipped.

DOMESTIC SHIPPING RATES AND ESTIMATES

For calculated shipping rates: Shipping charges for your order will be calculated and displayed at checkout.

Regardless of when your orders ships, your credit card will be charged in full at the moment you place the order. This is done for security reasons as our system never stores your card number in a way that allows for charges at a future time. *Although we do work to ship orders as quickly as possible, we never guarantee delivery of items on any specific day.*

Please provide a street address for UPS ground delivery. Orders can only be shipped to Canada and U.S. addresses.
