

COASTLINE CONNECTION

OCTOBER / NOVEMBER 2025

A Bright Salt Room Future!

By: Kelly Hackman, Owner of Coastline Salt Room

I can't believe this October marks four years of Coastline Salt Room. What started as a dream and a desire to help our community breathe better and stay healthy, has become so much more to me. It has become a caring family.

Over the years, we have met and helped so many people understand the importance of respiratory wellness and the role it plays in our everyday and long-term wellness.

Every day, I am thankful, grateful, and blessed to have been given the opportunity to serve my community with our salt room. And now that we are crossing that four-year mark, there's even more exciting times ahead.

I am excited to announce that on November 1st, Coastline Salt Room will have a new owner, one that can foster our foundation and take it to heights that I was unable to.

The name of the salt room will change to Salt and Solace, but the salt room you have grown to love will stay the same. The salt room will be available, as usual, but with extended hours, and even added amenities in the future.

The new owner of the salt room, Danielle, has been a client of ours for years, and her and I have often talked about natural health and the importance in our lives. She has been an advocate of our facility and I couldn't have been more excited for her and I when she came to me and told me she would be interested in carrying on what we have built.

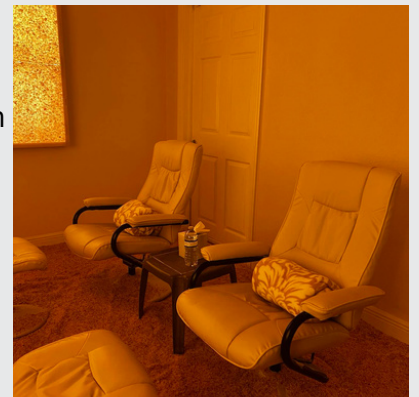

Introducing Danielle of Salt and Solace.

Danielle has lived in in downtown New Port Richey since she was a young child and has always had a deep love for this area and the people in it.

She's a dedicated mom of three and a local small business owner who's passionate about all things cozy, serene, and healthy.

Danielle has been a long-time lover of The Salt Room and truly believes in the benefits of Halotherapy because she's experienced them firsthand.

She looks forward to this next chapter and is honored to carry on the heart and purpose of The Coastline Salt Room.

The Salt Room Transition

Many of our clients are asking about this transition from Coastline Salt Room to Salt and Solace, so here's some important information for you.

Gift Cards: All gift cards for Coastline Salt Room are valid until Friday, October 31, 2025. After that time, gift cards become void, and Coastline Salt Room will no longer exist.

Please stop into our gift shop between now and October 29th or schedule your salt appointment (session must be complete before October 31, 2025). You can make appointments up to October 31 by visiting our website at www.CoastlineSaltRoom.com

Pre-purchased Packages: Anyone with sessions outstanding on their 5 pack or 10 pack programs must use their sessions **before November 28th**. Salt and Solace will honor your outstanding sessions until November 28th. After that time, sessions will have expired, and you will need to purchase new packages.

Monthly Packages: Clients on monthly packages will not see a change in their billing for the time being, other than Salt and Solace will be taking payment. Clients will need to submit a new card on file, but your program will stay the same for now.

Scheduling: Scheduling sessions for the month of October can be made on our website at www.CoastlineSaltRoom.com. We will also provide a link to schedule sessions after October 31st on the Salt and Solace site.

If you have any questions, please feel free to contact us at (727) 843-1019. Our phone number will stay the same.

Did you know....

Just 45 minutes in our salt room can help boost your body's immunity and help you stay healthy during this cold and flu season. With the weather changing temperatures so drastically, we need to do all we can to stay well.

According to WebMD, "Halotherapy is considered an alternative treatment for lung problems such as asthma, bronchitis, and cough.
