

Title**#3 I'm Not Saying Amen****1/**

It's a joy to talk to You, Jesus.
To pray to my greatest Friend.
I love it each day.
I get carried away
And I never, never want it to end.

Chorus:

I'm not saying amen, Lord.
I'm not saying amen.
I wanna keep this prayer open.
I never want it to end.
Lord Jesus, I never want it to end.

2/

I wanna be able to call on You, Lord
The One on Whom I always depend.
Any time of day,
Every step of the way
And I never, I never want it to end.

Chorus:

I'm not saying amen, Lord.
I'm not saying amen.
I wanna keep this prayer open.
I never want it to end.
Lord Jesus, I never want it to end.

Bridge 1:

You said you delight in our prayers.
But, Jesus, the delight is all mine.
It's pure joy to talk to the God of heaven.
It's the best use of my time.

Chorus:

I'm not saying amen, Lord.
I'm not saying amen.
I wanna keep this prayer open.

I never want it to end.
Lord Jesus, I never want it to end.

Bridge 2:

I'm not saying Amen, Lord.
I'm not saying Amen.
I just wanna talk to you, Lord.
I'm not saying Amen.

I can't say Amen, Lord.
I can't say Amen.
I just wanna talk to my Friend.
I'm not saying Amen.

Chorus:

I'm not saying amen, Lord.
I'm not saying amen.
I wanna keep this prayer open.
I never want it to end.
Lord Jesus, I never want it to end.
Till I see You, Jesus, I never want it to end.
