

CJ Raceway: Atv Race Report

By Dominique Wilson

This first race of the season did not disappoint. The weather was not ideal, but these racers didn't care! Starting off with the micros, the extremely muddy conditions didn't stop them. Casen Jennings was leading for the first two laps, unfortunately his atv started to have problems. For Chase Barber that was enough time for him to make his way up from 4th to 1st overall and ending his day with a win.

Garret Cox was able to get another win under his belt. Garret got the early lead and kept it til the checkered flag. Duncan Scott was only 30 seconds from Garret. Paisley Stout was able to get 3rd overall from time adjustment from the Girls Super class.

Last year's Overall Winner, Talan Stout, was able to get a good lead and held that lead for two laps. GNCC Pro's Ronnie Rusch and Steven Harrell took over that lead for the remaining of laps. Ronnie was leading but something happen to where Steven was able to get into the lead and received the checkered flag.

CJ Raceway: Bike Race Report

By Dominique Wilson

Sunday's race day turned out to be nicer than Saturday's. The sun decided to be out more, and the mud dried up, in most parts of the track. Hunter Jones got the hole shot and lead the entire race. He was able to win the overall by 2 minutes and 37 seconds. What a great way to start the season.

The first few laps Austin Hale led from time adjustment with Ryder Reick and Ace Tokar close behind. Ryder Reick was able to get faster as he went and got the overall win. Austin Hale got 2nd overall and Ace Tokar got 3rd overall from the 12-13 Intermediate class.

Starting the season with big numbers, 273 entries for this Adult Bike race. Mack Riemer led the first lap with a 18:48 minute lap time making this a 6-lap race. Lane Whitmer was able to get into the lead and beat Riemer by 59 seconds.
