By Dominique Wilson

Kolson Conklin managed to secure the overall win through a time adjustment, despite finishing physically in second place. Finishing first across the line, Ryder Tenney claimed the second overall spot due to the adjusted times. Meanwhile, Kartyr Phillips, racing in the 90cc 4-stroke class, achieved an impressive third place overall and came in second in her class.

In a thrilling showdown, Cael Hoover clinched the first overall spot in the Youth ATV race. Camden Phillips finished a close second, just two seconds behind Cael in his class. Bryson Stringfellow, competing in the Super Mod 11-15 class, secured the third overall position.

In an exciting twist during the 4th lap, all positions changed. Trevor Meadows, who was physically 2nd, clinched the overall win through a time adjustment.
