WIBAS knows that our strength lies not only in the words we stand by but, most importantly, through the actions of our initiatives.

Founded to represent women working in the building industry and related services, WIBAS is a Newcastle and Hunter region-based group dedicated to fostering professional growth and collaboration.

Our purpose is to create an environment where women can network with colleagues, exchange ideas and experiences, and support and mentor each other, all while gaining access to relevant, industry-specific knowledge and insights that drive success in the sector.
