## ROLLING MEADOWS GARDEN CLUB

How it all began.

The Garden Club was founded in 1999 by a small group of individuals who had a common interest in gardening and love of flowers.

These individuals shared ideas, opinions and stories about their successes and disappointments.

As the garden club began to grow, they, and many additional individuals who became permanent members of the garden club, continue to do so to this day.

## MONTHLY MEETINGS

Meetings are held from January through December, the second Wednesday of each month from 6:00 ~ 8:30 PM at the Rolling Meadows Community Center. The only exception to meeting each month is an Annual Picnic in August and Holiday Celebration in December.

### 6:00 ~6:30 PM

Is dedicated to socializing with each other and enjoying light refreshments *compliments of the Members of the Garden Club.*

### 6:30 ~ 7:00 PM

The Garden Club Business Meeting is conducted.

### 7:00 ~ 800 PM

There is generally an educational presentation. Occasionally there may be an opportunity to do a hands-on workshop, or an open forum may take place.

### 8:00 ~ 8:30 PM

The members who brought in refreshments clean up and all members depart for the evening.

In addition, outings are planned such as:  
the Annual Picnic in August;  
occasional brunch or dinner;  
the Annual Holiday Celebration in December; and  
viewings of member's gardens.
