Ornament Exchange

Friday December 17th @6pm

If you would like to participate in the ornament exchange, please bring a **NEW** wrapped Christmas Ornament to the party. It is a fun game/exchange to celebrate the holidays with our post family. (adding a twist of playful rivalries between people trying to get sought-after ornaments!) Everyone who brings an ornament will go home with an ornament.

How the game/exchange works..... Each participant supplies one NEW wrapped ornament. They are placed in a central location, and participants draw numbers to determine which order they will take turns selecting them. The first person opens a wrapped ornament, and the turn ends. On subsequent turns, each person can open a new present or gets the choice to "steal" another person's gift. When a person's gift is stolen, that person can either choose another wrapped gift to open or can steal from another player. An ornament can only be stolen twice. The ornament exchange is over when the last person goes.
