

To maintain a clean and attractive community, we ensure all homes are mowed, edged, and blown as follows:

- Summer (March–November): At least twice per month (every other week).
  - Winter (December–February): At least once per month.

Our team operates five mowers year-round to ensure timely and efficient service.

### Summer Schedule

(March–November)

- Homes on designated streets will be mowed, edged, and blown on a biweekly basis.
  - Service is split into two groups:

**Group A: Week 1 and Week 3 of each month.**
