

CARE

THAT PERFORMS

NIKWAX
OUTDOOR INNOVATION

Nikwax is the global leader in high performance cleaning and waterproofing products for outdoor clothing, footwear, and equipment.

All Nikwax care products are designed to enhance the abilities of technical items. From safely cleaning, to revitalizing water repellency, to improving wicking, each Nikwax care product helps you to stay more comfortable on your adventures.

SUSTAINABILITY MEANS BOTH PLANET AND ITS PEOPLE

We understand we have a fundamental responsibility to preserve the natural environment while preventing further damage to the planet and its people.

Founded on these principles in 1977, our core values remain the same. We continue to lead with innovative, sustainable, ethical, authentic, and fair practices.
