AIRCUSHION BACKPANEL

Carry your essentials comfortably with this next-generation padding. It provides true on-the-back breathability, and cooling, moisture-wicking benefits. The 3D backpanel is made up of over 90% open-air, minimizing contact and maximizing low-profile ventilation.

ACCESSIBLE ORGANIZATION

When it comes to the Rhune, it's all in the details. With the on-the-go commuter in mind, these everyday packs have an integrated shoulder harness pocket that is perfect for ear buds, transit passes, or mints - because you never know what the day has in store.

RECYCLED MATERIALS

The Rhune delivers a durable and sustainable approach to everyday packs by using GRS certified 100% recycled polyester fabrics to help us all make more impactful purchases.
