

Waterproof and dustproof durable protection with a removable, FlipFlop hinged lid, this box was designed to keep gear dry and protected. The Clearview Polycarbonate lid lets you locate gear at a quick glance, while the durable design gives you confidence that your valuable gear will be safe and secure.

Mirage Tan
Slate Blue

WATERPROOF & DUSTPROOF-IP65

Sealed gasket design keeps gear dry and dust free, rain or shine.

FLIP-FLOP DUAL ACCESS HINGES

Unique latch system that doubles as a hinge, allowing the lid to be fully removed or accessed from either side.

SMASHPROOF CLEARVIEW LID

See-through, high-impact lid to quickly locate gear and keep it protected.

FEATURES

- › Clearview Lid designed with a gasket seal for waterproof and dustproof protection
- › IP 65 rated to be waterproof and dustproof by passing a water jet test when sprayed from any angle
- › Removable lid with combination hinge/latch design that allows the lid to be opened from either side
- › Molded bottom with side grab handle designed to take heavy hits when loaded up
- › Stacking design allows for multiple boxes to stack cleanly
- › Transparent Polycarbonate lid can handle high impacts to protect valuable gear
- › Top lid designed to channel water and drain off lid
- › Bottom built from 50% recycled material and lid and latches made from polycarbonate
- › Designed to last, and backed by Gregory's lifetime warranty
- › Designed to be configured with Alpaca Gear pods for additional organization (not included)
