ALPACA GEAR WAGON » 140L

Designed for time outside, the Alpaca Gear Wagon provides 140 liters of storage on wheels. The oversized, all-terrain wheels, and the reinforced collapsible frame provide trustworthy transportation for all your gear. The included rain and sun cover provides shelter for your stuff, and the easy access pockets makes organization simple. The included storage case provides full coverage so you don't have to throw a mud-covered wagon into the back of your vehicle.

-  *Slate Blue*

OVERSIZED ALL-TERRAIN WHEELS

Nothing stands in the way, not mud, sand, rocks, or gravel.

INCLUDED RAIN AND SUN COVER

Adjustable rain cover keeps your gear dry and protected, no matter the elements.

EASY TO FOLD AND STORE

Pack and go with the collapsible design, multiple carry handles, and full coverage storage case.
