

PRODUCT FEATURES

✓ Polarized Lenses

Polarized lenses reduce glare and make it more fun to be in the sun. Every pair of Sunskis is polarized.

✓ Universal, Comfortable Fit

Sunski frames fit all face types and never slide around. Lightweight materials ensure comfortable all day wear.

✓ Best in Class Value

We believe in quality, craftsmanship and style at a friendly price. To us, expensive is just code for stressful.

SUSTAINABILITY

✓ Recycled Frames

Every Sunski frame is made from our proprietary recycled material that's lightweight, comfortable & sustainable.

✓ Plastic-Free Packaging

Our recycled packaging uses innovative origami folds to protect the product and is proudly plastic-free.

✓ 1% for the Planet & Climate Neutral

We donate one percent of sales to the environment and offset our company's entire carbon footprint.

OUR LIFETIME WARRANTY

✓ Frames

We proudly stand behind every pair we make. If your Sunski frames break, we'll replace them.

✓ Replacement Lenses

A scratched lens is no reason to throw away a good frame. We offer replacement lenses for all Sunski styles.

Please direct all warranty inquiries to sunki.com

ABOUT SUNSKI

Living Life Outside since 2012

Sunski is an independent sunglasses company based in San Francisco, CA. Our commitment to design innovation, sustainability and grassroots community helps us stand out in the crowd.

We believe in the simple joy of going outside — whatever that means to you — and great sunglasses that make those moments even better.
