▼ FEATURES

- ▶ Heavy-duty, blended recycled polyester ripstop fabric with PFC-free durable water-repellant coating.
- ▶ Passive zipper lock that uses a D-Ring at the end of the zipper to secure the zipper and prevent unwanted access.
- ▶ Side zippered accessory pocket to separate and organize smaller items.
- ▶ Reinforced carry straps with an internal fiberglass rod to evenly distribute weight and prevent pinching on your hands.
- ▶ Dual layer bottom provides added abrasion resistance and durability.
- ▶ Exterior gear loops provide a quick spot to attach additional items.

TUCK-AWAY BACKPACK STRAPS

The padded, backpack-style shoulder straps provide a comfortable way to carry your duffel, and free your hands for convenient traveling. Using an easy-to-use buckle, the backpack straps can be quickly, and easily stowed away.

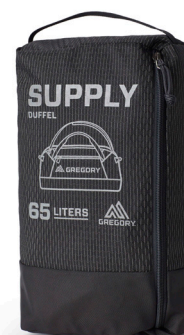

PACKABLE DESIGN

Duffel stows into its own zippered pocket. Easily fold the duffel into its pocket for storage or unfold the duffel and use it to bring home souvenirs and extra gear.

OVERSIZED, SMOOTH-ZIP OPENING

Easily open and close thanks to the oversized, #10 YKK zipper with T-Grip zipper pullers that provide the leverage you need to secure your gear.

DUFFEL STOWS INTO ITS OWN ZIPPERED POCKET
