(Intuitive zipper placements and routing)

Back Panel Luggage pass through
(Perfect for Allpa Rollers)

**All
Updates**

- Shell 1: 100% recycled 840D TPU-coated nylon
- Shell 2: 100% recycled 840D ballistic ripstop nylon
- Lining: 100% recycled ripstop polyester
- Stretch Mesh Water Bottle Pocket (Fits up to 1L Standard Nalgene)
- New Kissing lockable zippers in place of previous zipper "security loops".
- New padded, Tricot lined Laptop pocket with tablet sleeve. Fits 16" laptop.
- Internal zippers are now easier to access and the shortcut zipper has been removed.

- Improved back panel construction for better breathability, support, and comfort.
- New fixed waist belt yields significantly better weight distribution & comfort.
- New front zip pocket for small personal items
- Improved shoulder strap construction
- Rain cover is no longer included with the purchase of a pack
- Allpa Rollers and Allpa Mini 20L Travel Pac also include recycled shells and linings
