

The Quadro Pro rollers perform seamlessly while standing up to wherever your travels take you. Smooth rolling spherical wheels designed for maxim mobility, and a high-impact polycarbonate shell, withstand heavy abuse. The ActiveShield compartment separates dirty and clean items, and a TSA approved lock ensures everything contained within is safe. An AirTag holder helps you track your luggage as you travel. Designed for outdoor enthusiasts who are serious about traveling, for work, play, or better yet, work and play.

ACTIVESHIELD COMPARTMENT

The fully cleanable compartment is built from recycled auto glass and uses an exclusive Polygiene anti-microbial technology to inhibit the growth of odor-causing bacteria.

DURABLE POLYCARBONATE SHELL

Premium polycarbonate shell with a matte-finish, scratch-resistant texture to protect your valuable contents.

SMOOTH-ROLLING SPHERICAL WHEELS

Four-wheel, spherical design for silky smooth rolling, maximum mobility, and durability.

FEATURES

- › ActiveShield compartment keeps dirty or wet clothing and gear separated for vapor, odor and dirt protection
- › Fully removable and cleanable compartment is built from recycled auto glass and uses an exclusive Polygiene anti-microbial technology to inhibit the growth of odor-causing bacteria
