

Man in the Mirror

Michael Jackson

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right
As I, turn up the collar on
My favorite winter coat
This wind is blowin' my mind
I see the kids in the street
With not enough to eat
Who am I, to be blind pretending not to see their
needs?
A summer's disregard
A broken bottle top
And a one man's soul
They follow each other on the wind ya know
'Cause they got nowhere to go

That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change

I've been a victim of a selfish kind of love
It's time that I realize
That there are some with no home
Not a nickel to loan
Could it be really me pretending that they're not
alone?

A willow deeply scarred
Somebody's broken heart
And a washed out dream
They follow the pattern of the wind, ya see
'Cause they got no place to be

That's why I'm starting with me

I'm starting with the man in the mirror

I'm asking him to change his ways
And no message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make that
Change

I'm starting with the man in the mirror
I'm asking him to change his ways
No message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make the
change

I'm starting
With the man in the mirror, oh yeah
I'm asking him to change his ways
No message could've been any clearer
If you wanna make the world a better place
Take a look at yourself and then make the
change
Gotta get it right while you got the time
Cause when you close your heart then you
close your mind

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you want to make the world a better place
Take a look at yourself and then make the
change

Keep Holding On

Avril Lavigne

You're not alone
Together we stand
I'll be by your side, you know I'll take your hand
When it gets cold
And it feels like the end
There's no place to go
You know I won't give in
No I won't give in

Keep holding on
'Cause you know we'll make it through, we'll
make it through
Just stay strong
'Cause you know I'm here for you, I'm here for
you
There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll
make it through

So far away
I wish you were here
Before it's too late, this could all disappear
Before the doors close
And it comes to an end
With you by my side I will fight and defend
I'll fight and defend
Yeah, yeah

Keep holding on
'Cause you know we'll make it through, we'll
make it through
Just stay strong
'Cause you know I'm here for you, I'm here for
you
There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on

'Cause you know we'll make it through, we'll
make it through

Hear me when I say, when I say I believe
Nothing's gonna change, nothing's gonna change
destiny
Whatever's meant to be will work out perfectly
Yeah, yeah, yeah, yeah

La da da da
La da da da
La da da da da da da da

Keep holding on
'Cause you know we'll make it through, we'll
make it through
Just stay strong
'Cause you know I'm here for you, I'm here for
you
There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll
make it through

Keep holding on
Keep holding on

There's nothing you could say
Nothing you could do
There's no other way when it comes to the truth
So keep holding on
'Cause you know we'll make it through, we'll
make it through
