God has given us a passion and a vision to encourage others to experience life beyond themselves and witness the impact on the world.

We have now been given the opportunity to expand that passion as we begin a new adventure providing Pastoral Care for all US-Based CTEN Missionaries.

For Missionaries, the critical nature of the spiritual, physical, emotional, and financial health is seen in the fact that it is estimated in 2024 that over 47% of missionaries are leaving the field within the first 5 years!

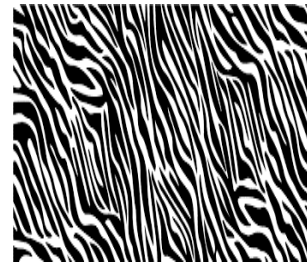

The experiences Shirley and I have shared over 44 years of marriage and ministry, inside and outside the church, as well as in over 30 countries on 5 continents has prepared us for this next season. The relationships that we have formed over the years have uniquely prepared us to come alongside the 60+ missionary couples, families, and singles based here in the US and provide friendship, encouragement, support, and accountability, throughout their highs and lows in their ministries. These missionaries serve in a wide variety of ministries from international student ministry on university campus', to serving the less fortunate in the intercity, supporting refugees from around the world, to soccer outreaches, as well as missionaries based here in the States that travel overseas, like Shirley and I have been doing for years.

The opportunity to multiply ourselves exponentially as we minister to and care for all these missionaries will only be done through divine intervention as we partner together and obey the calling that is on our lives in service to those to are obeying the call of God on their lives and ministries.

Randy & Shirley Haglund

Providing Pastoral Care for US Based CTEN Missionaries

About Commission To Every Nation

What is CTEN?

CTEN is a servant organization which helps missionaries fulfill the unique vision God has given them. CTEN partners with the missionary's home church to send them to the field. Then, through administrative support CTEN gets funds to the missionary, provides accountability, counsel and helps the missionary remain on the field. Through pastoral care CTEN helps them remain effective and healthy while there.

Missionaries Serving Missionaries

Most of CTEN's home staff raise their own support just as each CTEN Field Missionary does. This allows CTEN to keep overhead to a bare minimum and the vast majority of each donor's contribution to reach the intended missionary and project.

Pastoral Care

A core value of CTEN is caring for God's most valued resource, His people. A Pastoral Care couple personally stays in touch with each missionary from the time of their application, throughout their time on the field and through re-entry to the home culture if the missionary leaves the field. This pastoral care couple works with

the missionary's sending church to provide counsel, prayer, and support regular onsite visits to the field of service.

How CTEN missionaries are "paid"?

Like most of its support staff, CTEN missionaries are dependent upon the faithfulness of the Lord and His people for their financial support. Friends, family, churches and others who believe in the work of the missionary send their contributions to CTEN. These contributions can be large or small, sent monthly or periodically.

Each missionary is dependent upon your help to fund and continue their ministry.

How does CTEN afford to operate?

A co-laboring percentage is prayerfully determined individually by each missionary enabling CTEN to continue to serve them.
