Guidelines for Donating Food

- The food was **prepared or frozen within 5 days** of the prep date
- The food has been kept out of the temperature danger zone (41°F to 135°F), in accordance with **Servsafe Guidelines**

- The food is **cater-wrapped** or stored in lidded 4 inch deep aluminum pans (watch brief instructional video:)

- The **food is labeled** with the following:
 - Common name of the food
 - Prep date
 - Name or abbreviation of the donor organization

We cannot accept:

- Raw Meat
- Uncooked / PARcooked Food
- Thawed food that is refrozen
- Food past 5 days of the Prep date

**No amount of food is
too big or too small**
