LAGER

BREWED WITH  
MALTED BARLEY,  
HOPS AND WATER

**Windhoek™** Premium beer has been brewed for over a hundred years in Namibia - one of the driest countries on earth, and the country with the lowest population density in Africa.

Our beer is made according to the German Purity Law (Reinheitsgebot) of 1516, which ensures the highest quality and purity, and is still brewed by our German master brewers.

The Germany Purity Law (Reinheitsgebot) of 1516 decreed that all beer made in Germany could only be made from malted barley, hops, and water. This ensures that these beers have exceptional clarity and flavor. Brewing according to the Reinheitsgebot is more art than science, and considerably more difficult than modern brewing techniques that speed up the brewing process and maximise yield using a variety of additives.

Windhoek™ Premium lager is a typical German-style Lager, with a full body and a long hoppy finish, and will appeal to discerning beer drinkers. Pure and natural

**AWARDS** Windhoek™ has won gold medals at the annual DLG awards for the past 12 years. These German awards recognize products of exceptional quality and consistency.

**COLOR:** Rich incandescent gold.

**AROMA:** A wholesome barley and malt aroma, highlighted by complex tones of hops, cereal and freshly rolled bread dough.

**TASTE:** Long, full and rich. Slightly bitter with the distinctive flavor of hops and a clean, crisp aftertaste.

**ALC/VOL:** 4%. **ENERGY:** 145kJ/100ml
